

Welcome to the
Rocky Mountain Select Winchester Futurity
2019

I am so excited as I look forward for this year's futurity coming up on August 9th, 2019! We had a great year last year with some amazing animals and great judges to judge them. This year, I am confident that it will not be any different! It seemed that the buckles and higher payouts worked out well last year and we plan to keep that the same for this year. We will also be giving out rifles to the Grand Champion Heifer and Bull! So bring your best!

This year's entry fee is once again going to help cover the cost of hay for the pen help to feed and water your animals. We will feed hay to each animal entered in the futurity and make sure they have water. If you want to bring grain to feed, then I will let you be responsible for that.

This futurity runs in conjunction with the Rocky Mountain Select Sale, and we will be having the All Star Heifer Showcase on Friday evening. All the 1st place winners in the heifer classes will be eligible to sell at the beginning of this sale. Keep that in mind if you are interested in selling your prize winning heifers! If you have cattle that you are interested in putting in this sale or the main sale on Saturday, please contact Charlie Searle at 719-649-0058.

There are sponsorship forms for those interested in supporting this amazing event again! I appreciate all those who have already contacted me with your sponsorships! It truly makes my job so much easier!

I look forward to working with and serving you again this year as your futurity host! It will be a good one, I have no doubt!

Sincerely,

Marlene Reynolds
