

# All Natural Beef

Direct from Our Ranch  
To Your Dinner Table

**Serve your family natural, hormone-free, grass fed Longhorn lean beef . . . and save money when you buy direct from the producer. Our tender and delicious beef is high in healthy Omega-3, lower in saturated fats. Searle Ranch *Certified Texas Longhorn Beef* is completely free of growth hormones . . . raised on native grass pastures that are not treated with pesticides or chemical fertilizer. Nor do we add antibiotics to feed. This is the best, most healthy meat you can buy—at a fraction of supermarket or specialty meat market prices. Your family will love it!**
